

Finance Committee Appointment

According to the bylaws of Immanuel's Constitution (Article 5, Section 5, Item G), the Board of Stewards is to appoint a group of volunteer members to serve on the Finance Committee, commonly referred to as Finance Board.

This group is tasked with collecting, tabulating and depositing all monies received by Immanuel Lutheran Church.

Most of those currently serving on the Finance Committee have been doing so faithfully for many (many) years. An additional appointment was needed recently, bringing to light an additional bylaw requirement, which states:

The slate of members, while appointed by the Board of Stewards, must be approved by the Voters' Assembly annually.

In accordance with this requirement, the Board of Stewards brings forward the following slate of people to be approved by the Voters' Assembly to serve on the Immanuel Lutheran Church Finance Committee:
